Physician nominated: **Dr Robert Boulay**
 Miramichi

It is with great pleasure that we highly recommend Dr. Robert Boulay of Miramichi, N.B. for the Super Family Physician Award.

Dr. Boulay is, without a doubt, the most efficient and caring doctor that anyone could possibly have. Some people dread going to see their doctor – not us. We never leave his office feeling neglected nor do we develop high blood pressure because we are seeing him – the reason for this being he puts you at such ease and never rushes you out of his office.

Besides being an extra-ordinary doctor he has many great qualities about him – he is a great family man and is involved in his community and church. He never misses the opportunity for a friendly greeting. The waiting time at his office is minimal plus he has treated us in our home (a rare thing for this day and age when everyone is in a hurry).

There is only one word to describe Dr Boulay in our opinion – “awesome” – he has everything it takes to be “one of a kind” family doctor.

Our family is so blessed to have him in our lives to keep us well and healthy.

We hope and trust that he will be awarded this most deserving award.
