

Call for Presentation Guidelines

- (1) Please ensure that your presentation is evidence-based and is relevant to family medicine.
- (2) Presentations must relate to the one of the following themes of the conference:
 - Internal Medicine
 - Emergency Medicine
 - Obstetrics / Gynecology
 - Mental Health
 - Pediatrics.
- (3) Please include in your presentation submission:
 - The name and contact information of the speaker(s), including preferred email address and phone number.
 - Current title and position of the speaker(s).
 - A brief paragraph / abstract describing your session.
 - Indicate if your presentation(s) are one of the following.
 - *Keynote (45 – 60 min) The ASA offers one or two keynote presentations per conference.
 - *Short Snappers (15 – 20 min) Short snappers are usually presented in a series of three 15 or 20 minute presentations, followed by questions to the panel of speakers. The short snapper sessions may be related topics or completely different topics.
 - *Please note that these presentations will be delivered in the plenary room, to an audience of approximately 250 ppl.*

All accepted sessions will be included in the ASA Program, which will be available on the MCFP website up to three months prior to the conference. You can view previous last year's ASA program by clicking [here](#).

SUBMISSION DEADLINE: SEPTEMBER 16, 2015
