

WE WANT YOU!

The ASA Planning Committee is looking for a few new members to join our team. Different perspectives are essential when planning a conference for family physicians, so if you are a full member, a resident, a rural physician, an urban physician, a fee-for-service physician, a salaried physician – *your input is important.*

ASA Committee Criteria:

- Be available to attend the full-day ASA Planning session on September 17, 2018.
- Be available to attend the ASA on April 11-13, 2019.
- Have some ideas and opinions to make the ASA fresh and interesting.
- Be willing to make some phone calls and emails to potential speakers.
- Participate in email discussions about the scientific program.

Perks:

- You can earn five (5) Mainpro+ credits through Linking Learning to Administration as a Planning Committee member.
- The Manitoba College of Family Physicians pays a modest honourarium for participation on the ASA committee.
- Best of all, bragging rights!
